Be alert to continually changing weather, visibility and surface conditions and other inherent risks including but not limited to: existing and changing surface or sub-surface snow and ice conditions, dirt, grass, bare spots, forest growth, trees, rocks, stumps, and other natural objects and collisions with or falls resulting from such natural objects, lift towers and components thereof, lights, signs, posts, fences, mazes or enclosures, hydrants, water or air pipes (all the foregoing whether above or below the snow surface), snowmaking and snow grooming equipment, marked or lighted trail maintenance vehicles and snowmobiles, other man-made structures or objects and their components, and collisions with or falls resulting from such man-made objects; variations in steepness or terrain, whether natural or as a result of slope design; snowmaking or snow grooming operations, including but not limited to ski jumps, roads and catwalks or other man-made or natural terrain modifications and features including Freestyle Terrain; the presence of and collisions with other skiers and riders and the failure of others to ski and ride safely, in control or within their own ability.

I, the undersigned, hereby express my desire and approval for myself or my child's participation in the Learning Center Program. I acknowledge that such participation will include, without limitation, participation in various types of snow-sports instruction and activities and the use of Gunstock equipment, as well as the slopes, trails, Freestyle Terrain and related facilities, including ski lifts. I further acknowledge that participation in the program is voluntary and entirely at my risk and/or that of my child. I understand that recreational and other activities involve inherent and other risks of **INJURY** and **DEATH**. I agree that having a resort employee present does not lessen the amount or severity of the risks or hazards of these activities. I assume all risk of personal injury or loss of property as defined in **RSA 225A:24** (Responsibility of Skiers and Passengers).

I acknowledge that my child's involvement may include skiing, snowboarding, the use of Freestyle Terrain, lifts and participation in other recreational activities, and that these activities are **HAZARDOUS** and myself or my child have made a voluntary choice to participate in these activities despite the risks. I hereby promise not to bring a claim against or sue, and **AGREE TO RELEASE** Gunstock Area, Gunstock Area Commission, the County of Belknap, their shops, employees, owners, affiliates, agents, landowners, officers, directors, and their successors in interest, any equipment manufacturers and distributors, (collectively "Releases"), from all liability for injury, death, property loss and/or damage that results from participation in recreational activities, that is in any way related to participation in the Learning Ctr. Program, the use of the equipment, or is related to any other activity at Gunstock including all liability that results from the **NEGLIGENCE OF Releases, or any other person or cause**.

I further agree to **DEFEND, INDEMNIFY and HOLD HARMLESS** Releases for any loss or damage arising from claims or lawsuits related in any way to myself or my child's participation in the program, use of the equipment, or any other activities on Releases' premises. I understand that permission to use Releases premises, and myself or my child's involvement in this program is being given in exchange for the execution of this Release of Liability. I authorize Releases to administer first aid as they deem necessary. I authorize transportation to a medical facility, at my expense, if deemed necessary by Releases. Further, in the case of serious illness or injury, if I cannot be reached, I give permission for treatment, including medical and/or surgical care necessary for the well-being of myself or my child, at my expense. I agree that upon transporting my child, to any medical facility, clinic or hospital, that the responsibility of the Releases shall be totally fulfilled and the Releases shall have no further responsibility. I understand that Releases will, to the best of their ability, attempt to notify me as soon as possible in the event of an emergency.

I hereby grant exclusive permission to Releases and their respective agents, clients and assign to use myself or my child's name and image(s) for the purpose of publicity, public relations, editorial, or other advertising purposes without restriction as to frequency or duration.

I acknowledge that this agreement is governed by the applicable laws of the State of New Hampshire. I further agree that any action involving parties or issues relating to or arising out of this agreement must be instituted and prosecuted in the state or Federal courts of New Hampshire. If any provision of this agreement is determined to be unenforceable, all other provisions shall be given full force and effect.

I HAVE CAREFULLY READ, UNDERSTAND, AND VOLUNTARILY AGREE TO THIS ACKNOWLEDGEMENT AND RELEASE OF LIABILITY. I AM AWARE THAT THIS IS A RELEASE OF LIABILITY AND AN AGREEMENT BETWEEN MYSELF AND THE RELEASEES THAT LIMITS MY, OR MY CHILD'S LEGAL RIGHTS AND I SIGN IT OF MY OWN FREE WILL.

As parent/guardian of the above-named minor, I acknowledge that I am authorized to sign this agreement. I acknowledge and agree that I have read the foregoing release and that by signing this release I agree to be bound by its terms. Type I Skiers: CAUTIOUS skiing at lower visual indicator settings, prefer slow to moderate speeds, prefer gentle to moderate terrain receive lower than average visual indicator settings. This may increase the risk of inadvertent binding release in order to increase the likelihood of release in a fall. Type I settings apply to ☐ entry-level skiers uncertain of their classification.

Type II Skiers: MODERATE skiing at average visual indicator settings, prefer a variety speeds. Prefer varied terrain. Type 2 skiers are skiers who do not meet all the descriptions of Type I or Type 3 skier types.

Type III Skiers: AGGRESSIVE skiing at higher visual indicator settings, prefer fast speeds. Prefer steep terrain. Receive higher than average visual indicator settings. This may reduce the likelihood of release in a fall in order to decrease the risk of inadvertent binding release

EQUIPMENT RENTAL & LIABILITY RELEASE AGREEMENT:

I agree on behalf of myself or on behalf of the minor user I am representing to accept for use AS IS all equipment to be provided during the multi-week program, and I agree to accept full financial responsibility for the care of the equipment while it is in the user's possession. I will be responsible for the replacement at full value of any equipment provided under this form, but not returned to the shop. I agree all rental equipment will be returned by the agreed date.

I acknowledge that Gunstock will set the visual indicator settings on mine or the minor's skis in accordance to the manufacturer's specifications and the height, weight, shoe size, age, skier type, experience, head size and other information requested, I have provided on this form.

I understand that the binding system cannot guarantee the user's safety. In downhill skiing or ski boarding, the binding system will not release at all times or under all circumstances where release may prevent injury or death, nor is it possible to predict every situation in which it will release. In snowboarding and Telemark skiing (collectively RECREATIONAL SNOW SPORTS), the binding systems will not ordinarily release during use; these bindings are not designed to release as a result of forces generated during ordinary operation.

I understand that the sport of skiing, snowboarding and other RECREATIONAL SNOWSPORTS involve inherent and other risks of INJURY and DEATH. I voluntarily agree to expressly assume all risks of injury or death that may result from skiing/snowboarding use, participation in this multi-week program, or which relate in any way to the use of the equipment to be issued to the user.

I understand that a helmet designed for RECREATIONAL SNOW SPORTS use will help reduce the risk of some types of injuries to the user at slower speeds. I recognize that serious injury or death can result from both low and high energy impacts, even when a helmet is worn.

I AGREE TO RELEASE AND HOLD HARMLESS the Gunstock ski/snowboard shop, its owners, affiliates, agents, officers, directors, and the manufacturers and distributors of the equipment and their successors in interest (collectively PROVIDERS) from all liability for injury, death, property loss and damage which results from the equipment users participation in the sport of skiing/snowboarding, participation in this multi-week program, or is in any way related to the use of the equipment, including all liability that results from the NEGLIGENCE OF PROVIDERS, or any other person or cause.

I further agree to defend and indemnify PROVIDERS for any loss or damage, including any that results from claims or lawsuits for personal injury, death, and property loss and damage related in any way to the use of the equipment or participation in this multi-week program.

This agreement is governed by the applicable law of this state or province. If any provision of this agreement is determined to be unenforceable, all other provisions shall be given full force and effect.

1. How is the cost of the program broken down?

The program has two costs associated with it. The lift/lesson ticket for each student costs \$25/week for Belknap County school districts and \$28/week for schools in other counties. The rental fees are \$25/week for either skis or snowboard and a helmet rental.

The school or recreation department may add additional fees for the cost of transportation, but this is **not** a fee added by Gunstock.

2. What if a child or chaperone misplaces or forgets to bring their Outreach pass for a scheduled visit?

This year each student will be issued a pass with their name and school or group name on it. This pass will be valid **only** for the days of your child's program. **This pass must be attached to their jacket or snow pants each and every week. If your child loses or forgets their pass, they will need to purchase a \$10 replacement in order to participate that with their school or group that day/night. No exceptions!** The new pass is an exciting addition to the program and will save valuable time each week by not having to hand out lift tickets once at the mountain. These passes are non-transferable and no one should ever use the pass other than the person it is purchased for.

3. If there is a possibility that my child may receive ski or snowboard equipment as a gift, should I sign them up for rentals?

NO! If there is a chance your child will receive equipment before the program begins **DO NOT sign them up for rentals.** If they end up not receiving the equipment, then you may add the rental and pay for it separately. This change must take place prior to the program start date. The addition of rental equipment goes through your group's outreach coordinator. **DO NOT** call Gunstock directly to add this for your child, please notify your Outreach coordinator.

4. How do I go about getting a refund if my child gets equipment and I have already paid for rentals through Gunstock?

You must submit a refund request form through your group's outreach coordinator. The coordinator has the appropriate form and they will send it to Gunstock for your refund. The refund will be issued at the end of April when all accounting for outreach is completed.

5. What if my child has a season pass to Gunstock?

The program costs the same for each student regardless if they have a season pass. The rate is specific to the Outreach program and is discounted from our normal group lesson rate of \$45.

6. What if my child does not want to take the lesson?

Gunstock highly recommends that every student participate in the lessons offered. However, it is only mandatory if your school or recreation department has a policy that each student must participate in the lesson group. You **must** follow the policy of your school or recreation department. The cost of the program **does not** change if the student chooses not to participate in the lesson with the approval of your coordinator.

7. What if my child has an injury or illness and cannot continue to participate in the program?

If your child should get injured or become ill and cannot complete the remainder of the program due to health issues (withdrawing completely), Gunstock will gladly issue a refund for the remaining weeks of the program.

- You must provide a doctor's note stating the date of the injury or illness and complete a refund request form.
- The documents should be given to your group's coordinator who will submit them to Gunstock. Submission should take place within 10 days of the injury or illness.
- Gunstock will process refunds at the end of April.

8. What if my child is ill and cannot participate for a given week during the program? Will they be entitled to a refund?

A refund is only issued if the injury or illness prevents the child from participating in the remainder of the program and is documented by a Physician.

- We do not issue refunds for short term illnesses such as the flu or a cold, or for other conflicts that may arise outside of the program.

9. What if I forget to submit a refund request for my child? Can I do so once the program ends?

All refunds must be submitted within 10 days of the date of the injury or illness. Rental refunds must be submitted prior to the program starting. No refunds will be issued outside of these time frames.

10. What if my child feels that the lesson group they are in is not appropriate for their level and ability?

Any concerns relating to the lesson level for your child should be brought to your group coordinator's attention. Please understand that it is the final word of Gunstock's instructors as to the appropriate level for each student.

10. What if my child wants to switch from skiing to snowboarding or vice versa each week?

Your child may switch one time immediately following the first week of the program. No exceptions to this after the second week.

11. What happens during inclement weather?

At Gunstock, we love winter weather! However, your group's coordinator may determine that it is best to cancel on a particular day and schedule a make-up session later in the season. If the group cancels, lift/lesson passes will NOT be available to any individuals in the program on that day.

12. If I have any questions about the program who should I contact?

Please direct all questions or concerns through the Outreach coordinator for your group.
